

## Prayer for Students

Lord, we pray for the protection of our students. We ask that you would guard their hearts and their minds in Christ Jesus, that you would wrap them up in Your love, and deliver them from all evil.

Lord, we pray that you would give them great enthusiasm for their studies. May you inspire them each and every day. May each class bring fresh inspiration to their work. May each moment be filled with the energy they need for their tasks.

Lord, we pray that they would know the hope to which they are called, that their lives would be transformed by revelation from Heaven, that You would inspire their direction, and gently lead them into their destiny.

Amen
