Brief explanation of service performed:

Here are examples of what Christian service includes:

- School – assisting in events at the school, but not during school hours
 - o Concessions
 - o Seafood dinners (this could also be a parish activity too)
- Parish – weekend masses, youth group activities, but not during school hours
 - o Altar serving
 - o Vacation Bible School
 - o Weekend activities
- Community – providing any type of assistance in your neighborhood, but also could be a non-profit organization
 - o Babysitting
 - o Raking leaves
 - o Shoveling snow

What it doesn't include:

- Doing random chores around the house
- Altar serving during a school mass
- Helping your teacher during the course of a school day

The requirement is to earn 5 service hours by May 1. I will be keeping track of hours and sending updates on a monthly basis. Keep your eyes and ears open throughout the school year for opportunities to help and earn service hours.

If you have any questions, email me at lmedd@stbrigid-midland.org.

Thank you for your participation. Knights will make their community a better place.

Blessings,
