\$150,000 - \$154,999	\$3,900	\$7,800	\$11,056	\$11,819
\$155,000 - \$159,999	\$3,900	\$7,800	\$11,419	\$12,206

- Your AGI can be found on line 37 of Form 1040, line 21 on Form 1040 A and line 4 on Form 1040 EZ. If you DID NOT file a federal tax return last year, or if you filed AFTER October 15, you should estimate your current AGI using your most recent tax return, coupled with any changes in your income since that time.
- Current Saint Brigid Catholic School families may earn a \$100.00 tuition credit, if their recommendation of Saint Brigid Catholic School results in the enrollment of a new family. If the new family remains in the system, the credit will be given to the current referring family in March of the following year. The new family must complete this "New Family" form and submit it to the Saint Brigid Catholic School Office at the time of registration.
- Families with income greater than \$160,000 may be eligible for tuition assistance for 3 or more children. Call the Saint Brigid Business Office for further information.
